Important Contacts

To be alerted when new classes are released, please send an email to IHSSCareerPathways@dss.ca.gov and request to be added to their email distribution list. When you're added to their email distribution list you'll receive an email from IHSS each time the course catalog is updated and new classes are released! You may also contact this email if you have additional questions regarding the IHSS Career Pathways Program.

Contact our Homebridge Career Pathways Navigators by sending an email to CareerPathwaysInfo@HomeBridgeCA.org if you need support with:

- Navigating the Homebridge Career Pathways website.
- Registration related questions or modifications for a Homebridge Career Pathways course.
- General Homebridge Career Pathways course related or support in navigating a specific pathway.

Please call **(866) 376-7066** to reach the IHSS Service Desk for help with:

- Payment Claims
- Incentive Claims
- Entering your Career Pathways training time
- Direct Deposit

If you are a CalGrows participant, please send an email to help@calgrows.org or call **(844) 769-9119** with any questions relating to the program.
